Project status	-
Project background	The city development land is located on the so-called “Detour of AVNOJ Road”, which is currently under construction and is one of the main hubs in the Una Sana Canton. The purpose can be determined according to the needs of the client. The sale is made through a call based on the value estimated by an authorized court expert.

Project description	The implementation of this project will contribute not only to the tourist offer of the city, but also to the creation of new amenities for the local population.
Estimated total value of investment in EUR	-
Form of cooperation with partner	The project requires cooperation with the Government of the Una Sana Canton, the Government of the Federation of BiH, the Institutions of BiH, as well as other relevant organizations and international financial institutions. Cooperation with the private business sector is certainly needed as one of the investment modalities is a public-private partnership.
